

# Most Holy Family Monastery

I wanted to let people know about our brand new 7 in 1 DVD. It's the most important item we have ever released. (This DVD can also be viewed on computers and is available in Spanish.) All of our video programs on the DVD have been dramatically improved. The biggest improvement was to our video: *Is the World About to End?* The brand new version contains a tremendous amount of new material that was not covered in the previous version. I believe most people will find *Is the World About to End?* to be the most interesting video of all, especially if you like biblical prophecy. It covers the likely fulfillment of what is predicted by St. John in the Book of Revelation (The Apocalypse). The next most interesting video programs would probably be the two new videos that have been added to this DVD – *St. Malachy's Prophecy* and *What Francis Really Believes*.

If you are an atheist or an agnostic, you should watch the videos *Creation and Miracles* and *The Miraculous Image of Guadalupe*. You should also get our book about *Padre Pio*. If you are a Protestant, you should get the book: *The Bible Proves the Teachings of the Catholic Church*. After that, you should look at the rest of the information.

If you claim to be a Catholic, then you need to see our video called: *The Third Secret of Fatima*. This extremely important video explains in detail what really happened to the Catholic Church over the last fifty years, following the infamous Second Vatican Council (1962-1965). It proves that we are living through the Great Apostasy predicted to take place at the end of the world. It demonstrates that most people who think they are Catholic have actually embraced a modernist false religion that is inconsistent with what the Catholic Church has taught throughout history. It shows how this apostasy from the Catholic faith was predicted in Scripture, and that the Catholic Church has been almost completely destroyed over the last fifty years. However, the true Catholic Church still exists in a remnant of traditional Catholics. During the apparition of Our Lady at La Sallete, France on September 19, 1846, the Blessed Virgin Mary predicted that one day: "Rome will lose the faith and become the seat of the Antichrist... the Church will be in eclipse." Sacred Scripture predicts that in "the holy place" itself there will be "the abomination of desolation" (Mt. 24:15), and a deception so profound that, if it were possible, even the elect would be deceived (Mt. 24:24). The New Testament tells us that this deception will happen in the very heart of the Church's physical structures, in "the Temple of God" (2 Thessalonians 2:4). It will arise because people receive not the love of the truth (2 Thess. 2:10). The Great Apostasy at the end of the world will be so horrible that Jesus says: "But yet the Son of man, when he cometh, shall he find, think you, faith on earth?" (Luke 18:8)

The DVD also contains the video, *Death and the Journey into Hell*. This program could change your life. It covers the shortness of life and the reality of Hell. It is certainly one of our most important videos to watch.

All of us know that one day we must leave this world forever. However, most people believe that almost everyone goes to Heaven. The idea that most people are saved is directly contrary to what Jesus Christ tells us in Matthew 7:13. He declares that few make it to Heaven: "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it." It is necessary to hold the traditional Catholic faith to be saved. That's precisely why the DVD you have received is crucial. If you lose your eternal soul, you will (in the final analysis) be a complete failure and miserable forever. God doesn't want that to happen to you. The full collection of information we make available is the most compelling and powerful in the world. It contains the essential information people need to save their eternal souls. Please send us a tax-deductible donation so that we can disseminate this critical, soul-saving information to millions of others.

Sincerely,

Brother Michael Dimond, O.S.B.
